

BVDC Special Waiver During the Covid Crisis

Event/Date: _____

This waiver and release of liability is appended to the general BVDC Assumption of Risk and Indemnity Agreement that I signed for this event and applies to all individuals named in that agreement.

I, the undersigned, am aware that the CDC says that Covid is a deadly and widespread disease that is easily transmitted to me or by me through the air and other means.

I am also aware that the CDC recommends vaccination as the best way to avoid serious illness due to Covid.

I understand that neither BVDC nor the organizers of this event take any responsibility for protecting me from contracting Covid at this event.

I further acknowledge that, if I am not fully vaccinated, I am at serious risk of getting Covid at this event from other vaccinated and unvaccinated participants. I freely accept that risk and hold BVDC and the Organizers completely harmless should I contract Covid at this event.
