# DONB TRACK

# **BVDC Trot & Track Awards**

The BVDC "Trot & Track" program is for all who drive. In this program, you keep a record of the time you spend driving your horse or pony, and goal-hours achievement will be recognized at 25, 50, 100, 250, 500, 750, and 1000 hours of <u>driving time for the same driver and horse/pony</u> combination. Any time you spend driving, <u>EXCEPT shows and other</u> competitions, will count towards your "Trot & Track" hours. The hours you track do not have to be related to a club-organized activity. The "Trot & Track" program allows members from all over to participate at their convenience. Hours continue to accumulate in subsequent years. Awards are given annually at the Holiday Party in December.

To participate in the "Trot & Track" program, you need to be a BVDC member, and register to take part in this program. Download the PDF application form available on the BVDC web-site (www.bvdc.org) on the "Membership" page. To record and submit your hours, download the PDF Record form from the same web page (the application form also contains a "record" area).
